MasterCard VISA VISA Switch PayPal INTERNET SHOPPING IS SAFE

Buy Now Pay Nothing* Until Summer 2007

*No Deposit, No Payments, No Interest

Take advantage of nothing to pay and no interest for a promotional period. At the end of the promotional period, you're in control and you can choose to pay the balance and pay no interest or charges at all or spread the cost with monthly repayments. Interest will be charged from the end of the promotional period plus you have the flexibility to vary your monthly repayment (minimum payment of 4% of the outstanding balance or £4 whichever is greater) without any early payment penalties. Typical APR 29.9% variable.

Buy Now Pay Later (6 Months) example

- total price £1000.00
- deposit £0.00
- amount of credit £1000.00
- monthly repayment 4% or £4, whichever is greater
- deferred period 6 months
- No interest if settled within the deferred period
